THE FREEBORN CUP

Presented to the Hammer Circle by Vice President J H R Freeborn in 1953 and awarded to the 'senior or junior member with the longest competitive throw of the year'.

This was amended in 1956 to be for seniors only. In 1981 it was altered once more, this time to be awarded to the outright longest throw over all age groups.

With the introduction of new trophies to recognise outstanding performances it was agreed at the 2009 AGM to revert back to the **'longest competitive throw by a senior man'** from 2010.
