THE J G ELLIS TROPHY

Presented in 1964 by Mrs Ellis in honour of her son's outstanding achievements. **Awarded to the most promising junior member of the Hammer Circle**. The trophy was in the form of a silver tray and bears the name of Mike's father the late J.G. Ellis who was an enthusiastic follower of our sport before illness overtook him.

This trophy, to those who knew him, will be a constant reminder of Mr Ellis Senior and indeed of Mike's prowess with the hammer during his short but illustrious career. We are deeply indebted to Mrs Ellis for this fine trophy and assure her that it will become one of the Circle's most prized possessions.
